Embracing ageing and empowering adults to move, engage, and live well

Know You are Valued!

APTA Geriatrics empowers student confidence and guides preparation to manage the complexities of ageing adults. We provide access to a collaborative community with tangible resources that drive best practices in geriatric physical therapy.

NEW! Free membership for students!

Yes, we said FREE!

- Networking Opportunities
- Peer and Research Awards

Get Involved

- Join the Student Task Force
- Volunteer with the Academy
- Participate in the student video contest

Advance Your Knowledge

- Online and Home Study Courses
- Webinars
- Residency/Fellowship Resources and Scholarships

“As a student, I use the Journal, practice resources, and newsletters that link to new research articles to continue to improve my knowledge of a population I plan to work with heavily.

I have always appreciated how welcoming APTA Geriatrics is. It's easy to join and feel appreciated, valued, and encouraged to become an active member.

Being an APTA geriatrics member, has helped me transition from a student, resident and fellow in training to a board-certified clinician, mentor, and adjunct faculty.”

Student Member Benefits

- Be part of a community that values improving geriatric care.
- Advance your connections with elite therapists in areas of geriatric PT.
- Get FREE access to journal articles to assist with clinical decision making.
- Participate in research, education, and leadership roles within the field.
- Attend discounted CEU courses as you progress in your career.
